

Vous avez décidé d'organiser une fête. Vous vous retrouvez pour planifier votre projet et rédiger ensemble les cartes/courriels d'invitation.

Hey!
I'm organizing a sleepover party at my house next Saturday at 7pm,
and you know what?

YOU ARE INVITED!

This is what we are going to do:
First, we're having dinner by the pool. After that we're watching a surprise movie.
Later we are having our private party! And this is just the beginning...

Get ready for a fun night!

Don't forget to bring your pyjamas!
