

Votre artiste préféré doit écrire son autobiographie, mais pour une raison professionnelle urgente il ne peut commencer la rédaction du premier chapitre dans les temps. Comme vous faites partie de son fan club, son éditeur vous contacte afin d'écrire au nom de l'artiste le premier chapitre de cette autobiographie.

Natalie Portman

CHAPTER 1

My real name is Natalie Hershlag. I was born in 1981 in Jerusalem, Israel. My family moved to the US when I was young.

My first role was in the French film *Léon*, which was an action movie, but I became internationally famous when I played Amidala in *Star Wars*.

I studied psychology at Harvard University and in 2005, I won a Golden Globe Award for my performance in *Closer*. A year later, I won another for *V for Vendetta*. In 2011, I got a lot of awards with *Black Swan*.

I did a lot of different roles and films in my life, and I loved them all!
